

An impressionistic painting of a figure, possibly a woman, standing in a landscape. The figure is rendered with dark, bold brushstrokes, wearing a dark dress. The background is composed of soft, blended colors of blue, green, and white, suggesting an outdoor setting. The overall style is expressive and textured.

## East Anglia's leading auction house

Keys hold Fine Art, Antique, Country, Commercial and Specialist sales covering the whole auction spectrum. Still operating from the same five acre saleground in Aylsham, Keys now has a wide-ranging team of experts in many areas, offering a complete auction service which rivals many national concerns.

The firm has been in the vanguard of embracing new ideas and technology. In particular, the advent of the internet, and live online bidding, has opened up its sales to a much wider, worldwide audience, with buyers bidding from across the globe.
